Applicants hereby provide a response to the Examiner's Statement of Reasons for

Allowance mailed March 14, 2005.

RESPONSE TO STATEMENT OF REASONS FOR ALLOWANCE

Applicants submit that the limitations of the claims relied on for patentability are discussed in the record of Office Actions and Responses. Applicants therefore respectfully submit that the Examiner's Statement of Reasons for Allowance mailed March 14, 2005 should not be construed as asserting or implying that each and every limitation set forth in the claims is required for patentability over the cited references. In other words, the Examiner's Statement of Reasons for Allowance must be construed as being consistent with the record of the case, and does not suggest reasons other than those present in the record.

Respectfully submitted,
